CALL FOR PAPERS

2020 The 3rd International Conference on Automation, Mechanical and Design Engineering (ICAMD 2020) will be held at Bangkok, Thailand during February 26-29, 2020.

ICAMD aims at presenting current research being carried out. We take this opportunity of urging you to consider sharing your expertise on different aspects of automation, mechanical and design engineering with your peers from around the world. We warmly welcome and encourage you to join us.

Topics are interested but not limited to

- Automated Highway Systems
- Automated Video Surveillance
- Automated Waste Management
- Human Robot Interaction
- Robot Mechanism and Control
- Robot Vision
- Exoskeletal Robot
- Intelligent Robot and Service Robot
- Robotic Applications
- Mechanics
- Biomechanics
- Structural Analysis
- Design and Drafting
- Acoustical Engineering
- Mechanical Engineering
- Aerospace Engineering
- Thermal Engineering
- Mechanical Engineering Testing
- Industrial Engineering
- Mechanical Transmission Control
- Computational Fluid Dynamics
- Manufacturing Engineering
- Intelligent Design
- Electric Drive control
- Mechatronics and Robotics
- Automation and Robotics
- Design and Manufacturing
- Process Control and Automation
- Micro-Machining
- MEMS/ NEMS
- Structural Dynamics
- Electrical Insulation Technology
- Discrete Control
- Computer Control
- Automated Mining
- Home Automation

Conference Highlights

Speakers

Prof. KHOO Boo Cheong, National University of Singapore
 Prof. Jia-Yush Yen, National Taiwan University, Taiwan
 Prof. Xiaomin Wu, Tsinghua University, China

Committee

Conference Chair:

Jia-Yush Yen, National Taiwan University, Taiwan

Program Chair:

Shuming Chen, Jilin University, China

Steering Chair:

Haider F. Abdul Amir, Univ. Teknologi Mara in, Malaysia

Regional Chair:

Ricardo Nuno Madeira Soares Branco, Univ. of Coimbra, Portugal

Publicity Chair:

Sivakumar A/L Dhar Malingam, Univ. Teknikal Malaysia, Malaysia

Proceedings

Accepted papers will be included in Main Conference Proceedings and will be submitted for Scopus and Ei compendex indexing base.
